

# MASTER COMPOSTER TRAINING COURSE

**WHO:** Anyone who is interested in learning more about backyard composting.

**WHAT:** It is a comprehensive course that teaches backyard composting as a means of source reduction including lectures by guest speakers, videos and composting demonstrations.

**WHEN:** August 25, 2010 from 9 am - 4 pm  
& August 28 from 9 am - 5 pm

**WHY:** Recycles organic materials in the garden, provides valuable nutrients to plants, improves soil structure, helps save water, reduces amount of yard waste being sent to the landfill.

**WHERE:** 300 Krenek Tap Rd. (2nd Floor), College Station, TX 77840

**COST:** Each participant will receive instructional materials, compost bin, Saturday lunch and field trips for \$15.00.

**REGISTRATION:** To download the registration form visit [www.cstx.gov/compost](http://www.cstx.gov/compost). Copy, print, and mail back with payment.

After training is complete, each Master Composter will then volunteer 20 hrs. teaching friends and neighbors how to compost and volunteering at different environmental events.  
Completion of these requirements will lead to certification as an official Master Composter!
